Stability & Durability

No need to tiptoe around with superior dimensional stability of the Stone Plastic Composite construction, making it quiet and comfortable underfoot. The high density and extruded core help to maintain form and its beautiful appearance even in the harshest of environments. These floors also feature a scratch and UV resistant surface layer for long-lasting wear, and for you to enjoy using for many years to come.

Design Choice

Its incredible aesthetic appeal makes choosing Hybrid, a lifestyle choice. Adaptable to any space with the colours, styles, finishes and thicknesses available.

Installation Breeze

With a built-in acoustic thermal underlay base providing comfort, warmth, and noise reduction. No need for adhesive. Clever Click makes installation easy, just click into place.

Easy Care & Maintenance

100% Waterproof Board, requires minimal effort and time to keep your floors looking clean, making a healthier environment for your family. Regular vacuum or sweeping is ideal. Do not use steam mops and you only need to use a damp mop, with little effort to clean up after your family and pets.

Cost Effective

Hybrid flooring saves you money as it can be laid over most existing smooth and level subfloors such as tiles, existing timber floors, and concrete slabs plus there is no need for adhesives and the underlay is pre-attached to the board.

For peace of mind

A longer lasting floor for your flooring investment is secure with solid structural and finish warranties.

Finish your installation with Clever style

- ✓ Scotia, Waterproof Scotia, and Stairnoses are available to match

Featured photographs are printed reproductions and should only be used as a guide, indication, or point of reference. Before making a purchasing decision always inspect actual samples at your nearest retailer. Colour and appearance can vary. Whilst every effort is taken to ensure the information presented is accurate and free from error, it is possible that some data may change without notice.

Specifications are subject to manufacturing tolerances and may be changed without prior notice. * Please refer to our website www.cleverchoice.com.au for warranty terms and conditions, product installation guidelines, care and maintenance guides, or to download product test reports. These documents are also available from your place of purchase.

* Do not allow water to pool on the surface for extended periods of time. Sustained exposure to water may cause subfloor mould and mildew to grow. This is not due to the failure of the product and is not covered by the product warranty.
