# Eucalypt

**Eucalypt comprises distinctive, lineal patterns found in the bark of Australian native trees. With its hushed natural tones and soothing, rhythmic aesthetic, the design brings the tranquility of urban landscapes into commercial settings.**

## Technical Data

| | |
|---|---|
| **Type:** | Carpet Tiles and Planks |
| **Total Product Thickness:** | 6.5 (+/- 1.0)mm |
| **Pile Height:** | 4 (+/- 1.0)mm |

All GH Commercial carpet tiles and planks must be installed in accordance with AS2455 Parts 1 & 2 (latest version) and the GH Commercial Carpet Tile/Plank Installation Instructions.
Chair pads are recommended under office chairs with roller castors to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.
~Test results and certificates are available on request.
*Guarantee is in addition to any rights consumers may have under Australian consumer laws. Terms and conditions apply - for full information in respect to the scope of the guarantee please contact your GH Commercial Account Manager or our Head Office.
